

- Enabling Factors**
- Participants are open to our holistic, faith-based approach & engage with it
 - We go out to people in need & don't wait for them to find us
 - Lived-experience of many staff & volunteers enables effective mentorship
 - Local churches want to do this work & value partnering with SC to do it
 - Transformative impact of our faith & living our values
 - Rooted in communities through church partnerships which add value as community assets
 - Effective collaboration with other orgs. essential to achieve best outcomes for participants
 - Resources secured through ongoing support of funders & donors
